

Human IgG2

| | |
|---------------|--|
| Cat No.: | 07-01-1001 |
| Product Name: | Human IgG2 |
| Description: | Human IgG2 |
| Type: | Protein |
| Property: | Recombinant Protein |
| Source: | HEK293 |
| Applications: | Control Ab in various in vitro and in vivo applications |
| Formulation: | 1 mg/ml in PBS (pH7.4), Edotoxin< 1EU / mg |
| Purity: | >95% |
| Storage: | Store at -80°C, Avoid freeze / thaw cycle. |
| Limitation: | For research use only, not for use in diagnostic procedures. |
