

M1(H3N2)(Influenza A) ELISA Development Kit

Cat No.:	07-02-0133
Product Name:	M1(H3N2)(Influenza A) ELISA Development Kit
Description:	M1(H3N2)(Influenza A) ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of M1(H3N2)(Influenza A) concentrations in cell culture supernatants and serum.
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
