

## Human CD84-hIgG4

|               |                                                                 |
|---------------|-----------------------------------------------------------------|
| Cat No.:      | 03-01-0645                                                      |
| Product Name: | Human CD84-hIgG4                                                |
| Description:  | Human CD84-hIgG4                                                |
| Type:         | Protein                                                         |
| Property:     | Recombinant Protein                                             |
| Source:       | HEK293                                                          |
| Genbank No.:  | Q9UIB8 ( aa.22-225)                                             |
| Applications: | ELISA, WB, Immunogen                                            |
| Formulation:  | Each vial contains 50ug purified protein(1mg/ml) in PBS(pH7.4). |
| Purity:       | >95%                                                            |
| Storage:      | Store at -80°C, Avoid freeze / thaw cycle.                      |
| Limitation:   | For research use only, not for use in diagnostic procedures.    |
