

## Monkey CD142

|               |                                                                 |
|---------------|-----------------------------------------------------------------|
| Cat No.:      | 03-01-1083                                                      |
| Product Name: | Monkey CD142                                                    |
| Description:  | Monkey CD142                                                    |
| Type:         | Protein                                                         |
| Property:     | Recombinant Protein                                             |
| Source:       | HEK293                                                          |
| Genbank No.:  | AFE77126 ( aa.34-252)                                           |
| Applications: | ELISA, WB, Immunogen                                            |
| Formulation:  | Each vial contains 50ug purified protein(1mg/ml) in PBS(pH7.4). |
| Purity:       | >95%                                                            |
| Storage:      | Store at -80°C, Avoid freeze / thaw cycle.                      |
| Limitation:   | For research use only, not for use in diagnostic procedures.    |
