

## Anti-human CD116

|               |                                                             |
|---------------|-------------------------------------------------------------|
| Cat No.:      | 03-01-4789                                                  |
| Product Name: | Anti-human CD116                                            |
| Description:  | Anti-human CD116                                            |
| Type:         | Antibody                                                    |
| Property:     | Rabbit IgG                                                  |
| Source:       | Rabbit Polyclonal Antibody                                  |
| Applications: | WB, ELISA                                                   |
| Formulation:  | 1mg/ml                                                      |
| Specificity:  | Human CD116                                                 |
| Purity:       | >95%                                                        |
| Storage:      | Store at -20°C,Avoid freeze / thaw cycle.                   |
| Limitation:   | For research use only,not for use in diagnostic procedures. |
