

## Anti-human CD213

|               |                                                              |
|---------------|--------------------------------------------------------------|
| Cat No.:      | 03-01-5291                                                   |
| Product Name: | Anti-human CD213                                             |
| Description:  | Anti-human CD213                                             |
| Type:         | Antibody                                                     |
| Source:       | Mouse monoclonal antibody, clone SS12B                       |
| Applications: | IF, IP, ELISA                                                |
| Formulation:  | 1mg/ml                                                       |
| Specificity:  | Human CD213                                                  |
| Purity:       | >95%                                                         |
| Storage:      | Store at -20°C, Avoid freeze / thaw cycle.                   |
| Limitation:   | For research use only, not for use in diagnostic procedures. |
