

## HA1(B/Sichuan/379/99)

|               |                                                                   |
|---------------|-------------------------------------------------------------------|
| Cat No.:      | 01-02-0007                                                        |
| Product Name: | HA1(B/Sichuan/379/99)                                             |
| Description:  | HA1(B/Sichuan/379/99)                                             |
| Type:         | Recombinant Protein                                               |
| Property:     | C-terminal 6xHis tagged protein HA1(B/Sichuan/379/99)             |
| Source:       | HEK293                                                            |
| Applications: | WB standard, antibody ELISA, immunogen                            |
| Formulation:  | Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4). |
| Purity:       | >95%                                                              |
| Storage:      | Store at -80°C, Avoid freeze / thaw cycle.                        |
| Limitation:   | For research use only, not for use in diagnostic procedures.      |
