

## Ref-2008-HA(B)

|               |                                                                                 |
|---------------|---------------------------------------------------------------------------------|
| Cat No.:      | 01-02-0108                                                                      |
| Product Name: | Ref-2008-HA(B)                                                                  |
| Description:  | Ref-2008-HA(B)                                                                  |
| Type:         | Rabbit Polyclonal Antibody                                                      |
| Property:     | IgG                                                                             |
| Source:       | Rabbit                                                                          |
| Applications: | Neut., WB, ELISA, IP                                                            |
| Formulation:  | Each vial contains 100 ug purified IgG in 100 ul PBS(1mg/ml) with 40% glycerol. |
| Specificity:  | 2008/2009 Seasonal HA(B)                                                        |
| Purity:       | >95%                                                                            |
| Storage:      | Store at -20°C, Avoid freeze / thaw cycle.                                      |
| Limitation:   | For research use only, not for use in diagnostic procedures.                    |
