HA1(H3N2)(A/Kentucky/05/2011)

Cat No.:	01-02-0463
Product Name:	HA1(H3N2)(A/Kentucky/05/2011)
Description:	HA1(H3N2)(A/Kentucky/05/2011)
Type:	Recombinant Protein
Property:	C-terminal 6xHis tagged HA1(A/Kentucky/05/2011)(H3N2) protein (a.a. 17-346) (see amino acid sequence below)
Source:	HEK293
Applications:	WB standard, antibody ELISA, immunogen, etc
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
