

(A/Black-headed gull/Netherlands/1/00) Antigen ELISA Development Kit

Cat No.:	07-02-0143
Product Name:	HA(H13N8)(A/Black-headed gull/Netherlands/1/00) Antigen ELISA Development Kit
Description:	HA(H13N8)(A/Black-headed gull/Netherlands/1/00) Antigen ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of HA(H13N8)(A/Black-headed gull/ Netherlands/1/00) hemagglutinin concentrations in cell culture supernatant and serum.
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
