

Cat No.: 01-02-0567

Description: C-terminal 6xHis tagged HA1(A/Cygnus atratus/Hubei/2Z2-O/2016) (H5N8) (a.a.54-469) (Genbank #: ART29848)

Type: Influenza A

Source: Recombinant protein purified from 293 cell culture

Genbank No.: ART29848

Applications: WB standard, antibody ELISA, immunogen, etc

Formulation: Each vial contains 100 µg of purified protein (1 mg/ml) in PBS (pH7.4)

Protein: C-terminal 6xHis tagged HA1(A/Cygnus atratus/Hubei/2Z2-O/2016) (H5N8) (a.a.54-469) (Genbank #: ART29848)

Storage: For short term, store at 4°C, stable for 1 month. For long term storage, aliquot and freeze at -80 °C. Non-hazardous. No MSDS required.

Limitation: For research use only, not for use in diagnostic procedures.
